

Itron to Present at Oppenheimer's 23rd Annual Technology, Internet and Communications Conference and Canaccord Genuity's 40th Annual Growth Conference

July 30, 2020

LIBERTY LAKE, Wash.--(BUSINESS WIRE)--Jul. 30, 2020-- Itron, Inc. (NASDAQ: ITRI), which is innovating the way utilities and cities manage energy and water, announced today that Joan Hooper, Itron's senior vice president and chief financial officer, will present at Oppenheimer's 23rd Annual Technology, Internet and Communications conference on Tuesday, Aug. 11, 2020 at 2:40 p.m. EDT. In addition, John Marcolini, Itron's senior vice president for networked solutions, will present on a panel focused on the post-pandemic power grid at Canaccord Genuity's 40th Annual Growth Conference on Wednesday, Aug. 12, 2020 at 1:30 p.m. EDT.

The investor presentation and live webcasts of both events will be accessible on Itron's Investor Relations website at <http://investors.itron.com/events.cfm>. A replay of each webcast will be available for 30 days following the events.

About Itron

Itron enables utilities and cities to safely, securely and reliably deliver critical infrastructure solutions to communities in more than 100 countries. Our portfolio of smart networks, software, services, meters and sensors helps our customers better manage electricity, gas and water resources for the people they serve. By working with our customers to ensure their success, we help improve the quality of life, ensure the safety and promote the well-being of millions of people around the globe. Itron is dedicated to creating a more resourceful world. Join us: www.itron.com.

Forward-Looking Statements

This release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements relate to our expectations about revenues, operations, financial performance, earnings, earnings per share, cash flows and restructuring activities including headcount reductions and other cost savings initiatives. Although we believe the estimates and assumptions upon which these forward-looking statements are based are reasonable, any of these estimates or assumptions could prove to be inaccurate and the forward-looking statements based on these estimates and assumptions could be incorrect. Our operations involve risks and uncertainties, many of which are outside our control, and any one of which, or a combination of which, could materially affect our results of operations and whether the forward-looking statements ultimately prove to be correct. Actual results and trends in the future may differ materially from those suggested or implied by the forward-looking statements depending on a variety of factors. Some of the factors that we believe could affect our results include our ability to execute on our restructuring plan, our ability to achieve estimated cost savings, the rate and timing of customer demand for our products, rescheduling of current customer orders, changes in estimated liabilities for product warranties, adverse impacts of litigation, changes in laws and regulations, our dependence on new product development and intellectual property, future acquisitions, changes in estimates for stock-based and bonus compensation, increasing volatility in foreign exchange rates, international business risks and other factors that are more fully described in our Annual Report on Form 10-K for the year ended December 31, 2016 and other reports on file with the Securities and Exchange Commission. Itron undertakes no obligation to update or revise any information in this press release.
