

Itron Inspire 2022 to Gather Industry Leaders in Person for First Time in Three Years

June 22, 2022

Itron's Premier Customer-Focused Event to Uncover Possibilities for a Better Connected, Sustainable Future

LIBERTY LAKE, Wash.--(BUSINESS WIRE)--Jun. 22, 2022-- Itron, Inc. (NASDAQ: ITRI), which is innovating the way utilities and cities manage energy and water, announced that its flagship event, [Itron Inspire 2022](#), will take place **in person Sept. 23-30, 2022**, at the JW Marriott Island Beach Resort in Marco Island, FL.

The customer-focused event will feature a full line-up of sessions and networking events for in-person attendees as well as livestreamed keynotes and select breakout sessions for an online audience. The conference will connect industry experts from across energy, water, industrial IoT (IIoT) and smart city communities to share insights, learn from one another and explore the possibilities for a more connected, sustainable and resourceful future.

"We can't wait to reconnect in person and online with our customers and partners across the industry," said Marina Donovan, vice president, global marketing and public affairs at Itron "Utilities and cities are uniquely aware of the emerging trends and challenges facing our industry, and Itron and our partners are developing cutting-edge solutions to address them. During Itron Inspire, we'll come together to discuss these opportunities, including how more intelligence opens the door to more possibilities."
